

## MMF5.3

### Audiophile 2-speed turntable with unique dual plinth construction

- music hall's unique dual-plinth construction
- gorgeous high-gloss piano lacquer finish
- top tier 9" carbon fiber tonearm
- fully adjustable VTA, azimuth, and dampened arm lift mechanism
- counterweight's center of gravity is level with the stylus tip, is decoupled from the arm, and acts as a resonance damper
- DC synchronous motor for superior speed stability, separately isolated on the lower platform
- two-speed stepped motor pulley for 33 1/3 and 45 rpm
- Ortofon 2M Blue cartridge (Walnut with 2M Bronze)
- the cartridge supplied is properly aligned and mounted
- precision stainless steel main bearing sheathed in Teflon® for noise-free fluid operation
- alloy platter with soft felt mat screw-on record clamp
- high quality gold RCA connectors
- detachable phono cable
- special vibration damping adjustable feet
- built-in round spirit level for proper leveling
- dust cover and 45 rpm adaptor included

High gloss colour: SRP 1099,00€ (incl. 2M Blue)

Walnut finish: SRP 1299,00€ (incl. 2M Bronze)

<b>Speeds</b>	33,3 / 45 RPM (manual speed change)
